

## **Consensual Relationship Request Form** **Between an Employee and an Undergraduate Student**

As an employee in the \_\_\_\_\_ *(Department/Division)*,  
 I, \_\_\_\_\_ *(name of employee)*, am declaring a consensual  
 relationship as defined in System Regulation 07.05.01, *Consensual Relationships*, with  
 ( \_\_\_\_\_ *(undergraduate's name)*), an undergraduate  
 student in the \_\_\_\_\_ *(undergraduate's college of major)*,  
 who joins in this request. I am requesting an exemption for this relationship under  
 Section 3 of System Regulation 07.05.01.

**Mitigating Circumstances:**

*(Check all that apply)*

- The relationship existed prior to one or both of the individuals becoming an employee or undergraduate student and/or the relationship existed prior to the August 2018 effective date of System Regulation 07.05.01.
- No power differential exists in the relationship that creates the potential for a conflict of interest; allegations of coercion, exploitation, and/or harassment; or allegations of favoritism and/or unfair treatment, including, but not limited to, the following circumstances:
  - The employee is not in the same college as the undergraduate student's major;
  - The student is not in a student-employee capacity within the same college as the employee;
  - The student is not taking a class or active in any student group that the employee teaches or advises; and
  - The employee is not serving in any capacity for purposes of advising, evaluating, hiring, supervising, mentoring, and/or grading the student.
- The employee does not have discretion over any financial support for the student through funds from grants, gifts, scholarships, or other university benefits.
- So long as the relationship exists, the employee agrees that a new request form will be submitted if there is a change to any of the above circumstances. Failure to do so will constitute a violation of System Regulation 07.05.01.

For any circumstance(s) not checked above, briefly describe the arrangements in place to manage/mitigate the potential for a conflict of interest or allegations of favoritism, unfair treatment and/or abuse of authority (use additional page if needed):

*The rest of this form should be printed and filled out/signed by hand*

Exemption Approval

The undersigned have each received a copy of System Regulation 07.05.01.

Both parties acknowledge that if either party files a complaint against the other at a later date with respect to the consensual nature of their relationship, the University will engage in a fair, impartial, and thorough investigation of the allegations. Each party's signature on the Consensual Relationship Exemption Request Form is merely one piece of evidence and is not dispositive of the consensual nature of the relationship.

Both parties are to be respectful of the demeanor that a faculty member and a student should display at any departmental or college activity.
